

Founded in 2022, Westlake Academy is a new public charter school serving the needs of early learners starting in Kindergarten and continuing through Grade 2. The school's close-knit culture, safe campus, and nurturing teachers and staff help students gain the academic foundation and social-emotional skills they need for a strong start in school and life.

Students stretch their minds and bodies as they explore a developmentally appropriate curriculum with Art, English Language Arts (ELA), Life Skills, Math, Music & Movement, Science, Social Studies & Writing. The campus features a playground, art room, multi-purpose room, and outdoor classroom. Parents benefit from family support services including paid on-site before and afterschool care.

MISSION STATEMENT

To provide all students with a content-rich, academically challenging education with a well-defined, sequential curriculum in a safe, orderly, disciplined environment.

St. Aloysius, as the sponsor of this school, is legally mandated to provide oversight, monitoring, and technical assistance. As part of the monitoring process, the performance of the school is assessed and evaluated on each of the required Ohio School Report Card components. Additionally, St. Aloysius has a regular presence at school board meetings where student performance indicators such as attendance, behavior, and academic achievement are tracked and financial and organizational issues that impact student success are reviewed and discussed. Key to the oversight, monitoring, and technical assistance is St. Aloysius' review of the school's Ohio Improvement Process (OIP) plan development and implementation. As a result of our thorough oversight and monitoring, St. Aloysius has determined that this school is substantially compliant with the rules and regulations governing community schools

All community school sponsors are required to submit a written report of the evaluation results of the school's academic, financial, and organizational performance, as well as the school's legal compliance with Ohio Revised Code, Ohio Administrative Code, and to the terms of the Community School contract. This report must be made available to parents of students enrolled in the community school by November 30th of each year under OAC 3301-102-05 (A) (3). An Annual Report regarding the performance of this school and other schools under the sponsorship of St. Aloysius will be posted on our website at www.stalschildren.org/charterschools and www.charterschoolspec.com no later than November 30, 2023. Parents are urged to review this report, in addition to other monitoring and evaluation reports available through the school or the sponsor for a full understanding of the school's performance.
